RE: Horn Machine Tools, Inc appointed as CSM exclusive distributor for USA.

Chiao Sheng Machinery, Co., Ltd. is pleased to announce that **Horn Machine Tools, Inc** has been appointed as our “Exclusive Distributor” for the USA.

Horn Machine Tools, Inc. with locations in California, Minnesota, and Indiana, provides sales, service and technical support for all CSM products including the complete line of CSM tube benders and tube fabrication equipment.

Since 2005, HMT has carried an extensive inventory of CSM tube bending machines in stock for immediate delivery and has had factory trained service technicians to serve customers needs throughout the USA.

Founded in 1982, CSM has positioned itself as one of the world’s largest manufacturers of CNC tube benders. Well known and specializing in design, manufacture, sales and service of tube bending and fabricating equipment.

“The strength and capabilities of our two companies working together gives customers the largest selection of tube bending machines with the most service locations in North America” according to Kent Horn, president of Horn Machine Tools, Inc.
